

Important - Please Read

Sub-aqua diving is a sport that requires general physical fitness and good health. Anyone with a medical history of diabetes, blackouts (epilepsy, etc.), perforated eardrums, high blood pressure or heart disease, any lung or respiratory disorder (such as Asthma), or dependence on drugs, may not be able to dive safely and so MUST seek specialist advice before contemplating taking up this sport including a Try-a-Dive or Try-a-Snorkel.

Try-a-Dives and Try-a-Snorkel events are available on the understanding that the persons taking part:

- (a) Consider themselves medically fit and do not suffer from any of the disqualifying conditions mentioned above.
- (b) Will, in the interest of safety, comply with all instructions given to them by the Instructor.
- (c) Are able to swim and be confident in the water.
- (d) Are a minimum of 12 years of age for a Try-a-Dive or 6 years of age for a Try-a-Snorkel
- (e) Will bring to the attention for the instructors any other matters that they feel may have an influence on their safe enjoyment of the session.

Every precaution will be taken for the safety of visitors and the Branch reserves the right to terminate the session should there be reason to doubt fitness, ability or suitability to dive.

- Remember to bring:
- 1. Swimming Costume
 - 2. Towel
 - 3. T-Shirt (for Try-a-Dives only)

Detach and return section below to the dive coordinator prior to the event.

Swindon B.S-A.C Try-a-Dive and Try-a-Snorkel Declaration Form

(Please Print)

Name of Applicant

Address

Postcode Phone number

Date of Birth Shoe Size (for fins)
